## Dear friends

Thank you for watching this challenging new film, *Tortured for Christ*. I found it to be harrowing, deeply moving and inspiring, all at the same time. It reveals to us the cost of following Jesus Christ and reminds us what Christians in other parts of the world are suffering as they seek to live fully for Jesus today.

As you take time to reflect on what you've seen, please join with Release International to help persecuted Christians by taking prayerful and practical action today. Here are four things you can do almost immediately:

- **PRAY** for your fellow Christians. We can send you resources to help you in your prayers.
- **TALK** to your friends and church leaders about the ministry of Release International and, if you want to show this film in your own church or fellowship, just let us know. Email us at [info@releaseinternational.org](mailto:info@releaseinternational.org).
- **SIGN UP** to receive Release International's quarterly magazine, and other information, by post, telephone or email: simply send your name and contact details to [info@releaseinternational.org](mailto:info@releaseinternational.org). Alternatively, please complete our Pledge Card.
- **GIVE GENEROUSLY.** You can make a much-needed donation now, by text or online at [www.releaseinternational.org/donate](http://www.releaseinternational.org/donate). I encourage you to consider setting up a monthly direct debit to help us continue serving persecuted Christians for many more years.

God bless you greatly!
