Praise God that a Christian mum in Pakistan has been set free from prison! Asia Bibi spent 10 years in prison and her children had to grow up without her. Her family has moved to Canada. Thank God for His all-powerful protection over Asia and her family. Ask Him to keep them safe as many have wanted to hurt her.

Ask Jesus to be very close to Christian girls in Pakistan who are kidnapped and taken away from their families. They are often forced to marry Muslim men and even become Muslims themselves. Ask God to rescue them and get them back to their families. Pray the girls will know Jesus's love with them night and day and know He is looking after them. Ask God to make

their families brave and strong. Pray for teenagers Rimsha and Riffat who were kidnapped: that they would know God's love and peace and return home safely.

Pray for a girl who has been persecuted at school in Afghanistan. Her family moved to a different city to find a new school for her.

However, her old school will not send her reports so the new school will not allow her to start. Pray that God will give great love and strength to this family. Ask Him to give them hope and not give up. Pray that God will find a new school where the girl can learn, make new friends and be very happy.

Dear Jesus,

Please bless these children and many others like them in Nigeria whose mums and dads have been killed because they love You. Fill their hearts with Your love. Hold them in Your arms of love when they

feel sad. Give them Christian families and friends who will love them and care for them a lot and let them know that their mums and dads are in heaven with Jesus and that they will see them again one day.

Keep praying for Leah Sharibu, the 15-year-old girl who was kidnapped in Nigeria. Boko Haram, who took her away, said they will keep her as a slave because she will not stop loving Jesus. Pray for God to show His love in powerful ways to the kidnapers so they let her go. Pray that Alice Ngaddah will also be set free and all other women and girls held as prisoners. Ask God to show them and their families His great love and give them courage and hope.
