

Dear Father God,

Thank You for sending Your Son Jesus Christ to die for us to save us.

Thank You that You sent Jesus to show us how much You love us.

Thank You for Your great power that brought Him back to life. This Easter, please be very close to children and their families who are attacked and hurt because they love You. Keep them safe as they sing and pray to You and read their Bibles in their homes and churches. Protect them as they play and go to school. Look after them wherever they are and let them know how much You care for and love them. Thank You Lord. Amen.

Please pray for Zareena and Pervaiz Masih - the mum and dad of a little girl who died after the family were attacked in Pakistan.

Zareena, the mum, was hurt very badly. Ask God to hold them close in His arms of love as they miss their daughter so much. Pray that God gives them great strength, courage and hope, knowing their daughter is happy with Jesus in heaven and they will see her again one day.

In Colombia, pastors are threatened, attacked and killed because they love and follow Jesus. Armed groups ask the pastors for the church's money but the pastors often will not give it to them because it belongs to God. The pastors tell people about Jesus and tell them to live peaceful lives and not to fight or take drugs. This makes the armed groups very angry with the pastors. Sometimes they try to take the pastors' children away to make them become soldiers. Ask God to keep the children of pastors safe. Ask God to pour His love into their hearts and let them know He is always with them. Pray that children whose Mums and Dads have been killed will know Jesus holding them tightly in His arms of love. Ask God to bless the children and families who miss each other so much when the children are sent away from home so they will be safe.

Put these words in the right order to make the Bible verse in Psalm 28:7 (NIRV):

shield      safe."      Lord      like      me      He      me

a      "The      strength.      gives      is      that      keeps

Pray this Bible verse over all children and young people who are hurt, scared, bullied, in danger and worried about what will happen to them and their families. Ask God to help them to trust Him and know that He is their shield who will protect them and keep them safe.

Dear Father God,

Please look after the children in China whose nursery was knocked down in Xiamen City because the families and teachers were Christian and believed in Jesus. Help them to find another place where they can learn and be happy and safe.

Dear Jesus,

Be very close to the children in Agra, India, who saw their dads beaten with hockey sticks because they are pastors and tell others about Your beautiful love. Please keep their dads safe so they are not sent to prison. Help the children remember that nobody is more powerful than You and keep them and their mums and dads strong and brave.
