Dear Father God,

Thank you for your children in all these countries (say each country). Let them know You sent Jesus to save them. Fill their

hearts with Your love, peace and joy. Keep them safe and brave when they are in danger and feel scared. Thank You. Amen.

Dear God,

Please be very close to Christians in Angwan-Rimi, Nigeria who were attacked by a group of 200 men who did not want them to follow Jesus.

10 adults and 3 children were killed. The children's names are Monday (8y), Samson (15y) and Zhime (9y). Thank you for these children and the life You gave them. Thank You for the love and fun they shared with their families. Help their Mums, Dads, brothers and sisters, Nans and Grandads to feel Your love, help and strength each day as they miss these children so much. Thank You that they are now with Jesus in heaven having a great time! Amen.

Crack the code and write this Bible memory verse from

" 20, 8, 5

12, 15, 18, 4

9, 19

3, 12, 15, 19, 5

20, 15

20, 8, 5

2, 18, 15, 11, 5, 14 - 8, 5, 1, 18, 20, 5, 4."

Dear Jesus,

Be very near to all children and families who are so sad because their hearts are broken. Their friends and families have been killed because they loved You Jesus - as in Sri Lanka. Hold them tightly in Your arms of love. Let them know You will never let them go. Give them Your power and strength to live each day. Help them to be happy because You love them and their families so much. Help them remember they will all live with You forever in heaven. Amen.

Dear Father God,

Give Your wonderful love and hope to children in Eritrea. Many of their Mums and Dads are in prison because they love You. They miss their Mums and Dads so much as they grow up without them. Give the children loving friends and families to look after them. Let them know You love them so much. Help their Mums and Dads know You love them so much too. Keep them safe in prison. Set them free so they can be together again. Thank You. Amen.
