

You can make a difference!

Pray for persecuted children!

Can you be a detective and find out the name of the country for each flag? These are countries where children and their families are hurt or killed because they believe in Jesus. When you have matched each country to its flag, colour in the flags. (Answers on the next page.)

India

Eritrea

Sri Lanka

Myanmar

Nigeria

North Korea

Dear Jesus,

May all your persecuted children around the world know Your love more and more this year. Fill their hearts with happiness, knowing You are their best friend and brother. Let them remember You are always there to help them and will never leave them. Give them Your great strength and make them brave when they are scared. Bless their hearts when they are sad and heal them when they are hurt. Thank You. Amen.

Dear Jesus,

Please bless these children in Myanmar who do not live with their parents. Their Mums and Dads share Your love with others and it is too dangerous for their children to stay with them. Please keep the children and their Mums and Dads safe. Give them Your love and joy when they feel sad and miss each other. Bless Kan and Maiah who look after the children.

Dear Jesus,

Please help children who are hurt, sad and scared because they get bullied or attacked for loving You. Help them hear or read this Bible verse. Help them know that when they cry out to You for help, You hear them. You answer their prayers and take away their fear and make them brave. Amen.

Dear Father God,

Please hold Wenny from Indonesia in Your arms of love. Her two sons, Nathan and Evan, were killed when a bomb went off in their church. Please heal her and let her know her boys are happy with Jesus.

Dear God,

Thank You that 9 year old Myriam in Iraq forgave Islamic State who were trying to kill her family and other people who follow Jesus. She and her family had to run away and leave their home in Qaraqosh. She is now 14 and has returned to her home town. Please keep her and her family safe and all the other Christians who are going back to their homes which might have been destroyed. Help them get proper homes, food, medicines, churches, jobs and schools. Help them trust and thank You. Amen.
