Dear Jesus,

Thank You that we can make a big difference to the lives of persecuted children when we pray for them. Add Your power to our prayers and pour Your love, hope and peace into their hearts and minds. Help them to be brave when they feel scared. Give them strength and peace when they feel heartbroken, lonely and sad. Let them know that You will hold them up in Your arms of love and never let them go. Amen.

Dear God,

Please be very close to children sent to terrible prisons in North Korea. They are sent with their Mums, Dads and even grandparents. They have to work very hard with very little food and water. Touch the hearts of the prison guards so they are kind to the children and give them more food. Keep the children and their families safe. Surround them with Your strength, love, hope and protection and set them free. Amen.

Dear God,

I pray that all persecuted children would call out to You for help, healing and protection. Let them know for sure that You will always answer them when they call to You. You are right beside them, making them brave and strong. Keep them safe by Your great power. Thank You. Amen.

Dear Jesus,

Please set Leah Sharibu free and the girls and women with her in Nigeria. Leah is 16 years old and was kidnapped two years ago. She could have gone home if she stopped believing in You but she said she would never do that. Help her know You are with her and will save her. May the people who kidnapped her turn to You and let Leah go free. Amen.

Dear God,

Bless the 11-year-old boy whose Dad was killed in Adamawa State, Nigeria, because he loved Jesus. His Mum had already been killed in a different attack. Please hold him close and pour Your love into his heart. Give him a loving family to look after him, and heal him as he was hurt in the attack. Amen.
