

You can make a difference!

Pray for persecuted children!

**"For God loved the world so much that He gave His only Son, so that everyone who believes in Him may not die but have eternal life."
(John 3:16 Good News)**

Dear Father God,

Thank You for sending Your Son Jesus to show us how much You love us. Thank You that because He gave His life for us we can come close to you and know Your love. Help all persecuted children to remember how much You love them. Fill up their hearts with the love of Jesus so their happiness, faith, courage and strength overflow like a fountain. Amen.

Dear Jesus,

Please keep all Your children safe around the world as Easter comes. Easter can be a dangerous time for some Christians as people who do not believe in Jesus might want to hurt and attack them. Protect them by Your power in their homes, in their churches and wherever else they may pray to You. Thank You. Amen.

Dear Jesus,

Please be very close to the children who were hurt when three churches in Sri Lanka were bombed last Easter. Hold them close in Your arms of love and continue to heal them and make them brave. Help the families who feel so sad that their children died in the bombings. Let them remember that their children are happy with You in heaven. Give them all great strength as they remember what happened a year ago. Thank You. Amen.

Dear God,

Please be with all children who are taken away from their families and forced to become child soldiers in countries like Colombia, Myanmar and Nigeria. Let them know Your great love for them when they miss their families and feel so upset. Thank You for the children who have been set free. Set them all free dear Lord to be able to go home to their families again. Heal them from the terrible things they have seen and done. Amen.
