Dear Jesus,

Please be very close to the Christian children and their families in Eritrea. It is such a dangerous country in which to love and follow You! Please keep the children and their families safe and secure. Make them strong and brave so they keep trusting in You. Show them Your love through pictures, words, songs, nature and many other ways so they know for sure You are right beside them and will never leave them. Hold them in Your arms of love so that their hearts overflow with happiness! Let them know they are Your precious children and You love them very much. Amen.

Practise saying these words and phrases in Tigrinya:

Jesus = YAY-soos

Thank you = YEHK-ahn-YELL-ay

Praise the Lord = gway-tah yeh mess gehn

My name is... = SHUH-MAY (your name) ee-YOO

Hello = selam

Dear Jesus,

Praise You that 6-year-old Joanna in Nigeria was rescued by police after she was kidnapped! Sadly, her Dad was killed by the people who kidnapped her because he was a Christian. Put Your arms of love around her and heal her. Give her and her family Your special love and peace. Be close to her as she misses her Daddy. Help her and her family to be strong and brave and help them every day when they feel sad or scared. May they trust You and know You will always be with them to help them. Keep them safe.

Amen.

Dear Father God,

Please protect the children of Christian families in Central Asia. Sometimes the police tell the Christians they will take away their grandchildren if they keep on praying to Jesus. Keep the children safe by Your great power so they are not taken away. Help the children to be brave and not scared, knowing You will look after them. Help the families to keep trusting in You, dear God, and to know Your love and peace, and that You will never let them down.

Amen.

Dear Jesus,

We pray this Bible verse over all your children who suffer because they and their families love You. Help them remember these words. Let them know You are with them every second of the day and night. You are there to hold them, love them and help them. They do not need to be scared as You are right beside them to look after them. Pour Your love, peace and happiness into their hearts. No one loves them as much as You do!

Amen.
