Dear Jesus,

Thank You for being with all the Christians in India. Christians in India are sometimes hurt badly or even killed because they love and follow You. Be very close to Your children who have been hurt or whose families and friends have been harmed or killed. Let them know Your arms of love around them, giving them hope, peace and strength. Help them to be brave and to keep trusting in You and praying to You. Protect them from danger and harm. Amen.

Practise saying these words and phrases in Hindi:

Hello / Hi = Namaste **Thank you** = Dhanyavaad

What is your name? (informal) = Tumhaara naam kya he?

My name is... = Mera naam (your name) hai.

Sorry = Maaf karana

See you tomorrow = Kal milate hain

Excuse me = kshama keejii

Dear Father God,

Thank You for the life of 16-year-old Samaru. He was a pastor at his tiny church in Kendakuda village in Odisha, India. He was killed by people who did not want him and his family to love and follow Jesus. Thank You that Samaru loved You so much and helped others to know and love You too. Thank You that he is now happy in heaven with Jesus. Please pour Your love and strength into the hearts of his family. Keep them and the other Christian families with them safe. May those who killed Samaru be arrested and turn away from their wicked actions. Amen.

Dear Jesus,

Please heal Neelam from Sandih village in India. She was shot in the hand and leg because her family are Christians. Hindu extremists told them to stop following Jesus but they carried on so they shot Neelam, the daughter. Please help Neelam and her family to be brave and keep trusting in and loving You. Protect them from any more attacks. Let them know Your love and presence every second of the day and night. Help them find other Christians to share their faith with so they can be strong together.

Dear Jesus,

Please keep Christian children safe in India as they play outside with their friends. Look after them so they are not taken away from their families or hurt by people who do not want their families to love Jesus.

Put these words in the right order to make the Bible verse found in Psalm 46:1 (NIRV).

of	help	He	there	our
in	safety.	of	gives	is
always	trouble.	God is	us	strength.
us	to	He	times	place

Dear Jesus,

Thank You that You keep us safe in Your love. Please look after all Your children around the world who are in danger because they and their families love and follow You. Protect them from attack and harm by Your great and almighty power. Fill their hearts and minds with Your love, peace and happiness and give them Your mighty strength. Let them know You right beside them at all times and that You are always with them to help them in times of trouble. Let them know they are precious to You. You know all about each one of them and You love them very much. Amen.

Dear Jesus,

Please bless Your children in Vietnam who live in villages in the mountains, far away from the towns and cities. Their families often get attacked, hurt and bullied. Help them be brave and trust You. Please keep them safe. Amen.
