Let's think about... Pakistan!

Capital city - Islamabad.

Languages - Punjabi and Urdu

Lassi is a drink made from yoghurt which can be salty or sweet.

Where? Pakistan is in the continent of Asia.

Crocodiles, pythons, wild boars and the Indus river dolphin live in or by the Indus River in the East.

Money - Pakistani Rupee.

The Himalayas in the north have some of the highest mountains in the world.

Black Himalayan bears and rare snow leopards live in the northern mountains.

Dear Father God,

Thank You for Pakistan and all the beauty You have created in it: the deserts, the rivers, the mountains and all the wonderful wild animals. Thank You for all the Christian children and their families in Pakistan. It is very dangerous to be a Christian in Pakistan. Children and adults have been badly hurt and even killed because they love and follow Jesus. Help them feel that You are with them and know You will never leave them. Make them brave. Fill their hearts with the happiness that comes from Your love. Keep them safe. Thank You.

Dear Jesus,

Be very close to the families in Pakistan where children have been killed because they believe in You. Hold their families tightly in Your arms of love. Give them strength and hope for each day. Help them know that You are looking after their children - and their children are very happy in heaven with You Jesus - until they meet again.

Practise saying these words and phrases in Punjabi:

Hello = Sat sri akaal **Thank you** = Dhannvaad

My name is... = Mera naan haga **Goodbye** - Alvida

What is your name? = Tuhada naan ki hai?

How are you? = Ki ha al nay **I am fine** = Main theek haan

Dear Jesus,

Please protect the children and youth at school in Pakistan. School books in Pakistan say bad things about Christians. These books teach Muslim children not to like Christians and even encourage them to hate Christians. Help the Government and teachers in Pakistan to stop using these books. Help them teach all children to respect and care for each other and that all children are equal. Please protect the children from being bullied and hurt at school. Amen.

Dear Jesus,

Please be very near to children in Pakistan whose Mums and Dads have been sent to prison because they love and believe in You. Give the children loving families and friends to look after them. Help Your love fill their hearts so they feel close to each other even though they are far away. Give them all Your peace, love and special happiness. Keep their parents safe and set them free.

How many words can you find in the word: **protection**

You can use words with one letter and upwards. You can only use each letter once.

Put these words in the right order to make the Bible verse.

Lord	from	saved	my	the
help,	Psalm 34:4 (CEV)	*I	and	me
asked	all	He	for	fears.*

Write the words above in the right order to make the Bible verse found in Psalm 34:4 (CEV).

Pray this Bible verse over children and young people in Pakistan every day for a week to bless them.

Dear Jesus,

Help the children and young people in Pakistan trust You and know how much You love them. Let them cry out to You for help and know deep in their hearts that You always hear them and answer their prayers. Amen.
