Dear God,

Thank You for sending Your Son Jesus Christ to be born as a baby to show us how much You love us. Help all children around the world to find out about Jesus and know He was born for each one of them. Help them to know Jesus' love in their hearts this Christmas more than ever before and bring a big smile to their faces. Amen.

Dear Jesus,

As a shepherd protects the sheep, please protect all children who believe in You this Christmas and new year. Christmas is a time when Christians can get attacked

more often. Please keep the children and their families and friends safe from danger. By Your great power and strength, put Your loving arms around each one and hold them tight. Amen.

Dear Jesus,

Please look after the children and families in northern and central Nigeria. Keep them safe from those who attack them in their villages and on their farms. Protect them by Your mighty hand and strong arm. Thank You that some of the attackers now follow Jesus. Help them to bring others to believe in You as well.

Dear Jesus,

Be very close to children this Christmas whose mums and dads and families have been killed because they loved You. Give them loving families and friends to take care of them and show Jesus' love to them. Also, bless and comfort mums and dads whose hearts are very sad because their children have been killed or taken away from them because they love Jesus. Let them all know You holding them close to Your heart. Help them remember the wonderful times and the love they shared with their families and give You thanks. Let them know their loved ones are with You in heaven.

Dear Jesus,

Be with children who cannot be with their families this Christmas: their parents may be in prison or the children may have been kidnapped. In Your great power, bring them back together. Give them courage and heal their hurting hearts. May Your love reign! Amen.

Dear Jesus,

As the star shone brightly to lead the Wise Men to You, shine the light of Your love in the hearts of Your children around the world. Fill their hearts with joy and hope, knowing how much You love them. Help them trust You and Your promise that You will never leave them or abandon them. Help them be brave. (Hebrews 13:5).
