Dear Jesus,

Please be with the children in North Korea whose Mums and Dads have been sent to prison or killed. Many of them have to live on the streets where it is very dangerous and scary. Look after them and give them food and somewhere safe to live and sleep. Keep them safe from being attacked and hurt. Help people be kind to them. By the miracle of Your power, show them You love them.

Dear God,

Thank You for Dev Lamani in India. He used to burn Bibles and insult Christians. However, when he was 17 years old, he heard the good news about Jesus and became a Christian! He became a pastor but was beaten very badly twice by gangs because he believed in Jesus. Please heal and protect him. Use him to show Your love to the people who hurt him so they believe in You too. Amen.

Dear Jesus,

Please be very close to the children of Pastor Zhang Shaojie in China.

Their Dad was sent to prison 7 years ago because he loves and follows You. He has another 5 years to go. Give Your great strength to the children and their Mum, Li Wei. They had to move home three times last year. They were not allowed to stay in their homes because they believe in You, Jesus. Please find them somewhere safe to live in peace. Bring good friends to help them. Help them to trust You and give them great hope that You will make things better and bring their Dad home. Keep their Dad safe too. Thank You Jesus! Amen.

Dear God,

Help your children who are persecuted to remember that You love them soooo much! Help them trust You to look after them and keep them safe. Take away their fear and make them brave. Let them know Your arms of love holding them tightly day and night. Thank You. Amen.

Dear Jesus,

Thank you for looking after Mum Naomi and her five children in Nigeria. The children's Dad was killed by attackers and they had to run away from their home. They had to live on the streets, then in another country. Now they are back in Nigeria in their own home. Please keep them safe and give them everything they need. Fill them with Your love, peace and joy! Amen.
