Dear Jesus,

Please bless the children in these countries and in every country where they are persecuted. Help them feel Your love in their hearts and minds. Let them know for sure that You are with them every second of the day and night. You see everything they do and everything that is happening to them. Send Your angel armies to protect them and keep them safe. Pour Your love and joy into their hearts. Thank You. Amen.

Dear Father God,

Thank and praise You that more and more people are believing in Jesus in India even though it is very dangerous to become a Christian! Keep the children and youth safe. They get attacked badly or killed by men who do not want their families to love and follow Jesus. Make them and their families brave and strong. Be their shield and protect them. Change the hearts of those that hurt Christians. Bring them to You and let them see and believe Your truth and love. Amen.

How many words can you find in the word: **faithfulness**

Use each letter once. You can use words of one letter and upwards.

Many Christians are accused of blasphemy - speaking in very insulting ways about God or holy people or things - when they have done nothing wrong. People who do not like Christians lie about them to get them put in prison where it is dangerous and where they are treated very badly.

16 year old Nabeel Masih in Pakistan was held in prison for 4 years. He was charged with blasphemy against the Muslim holy prophet or messenger, Muhammad. In 2018, Nabeel was sentenced to 10 years in prison. He has been set free on bail whilst his appeal is being heard by judges in court.

Dear Father God,

Thank You that Nabeel is out of prison whilst his appeal is being heard.

Thank You for keeping him safe in prison for 4 years when so many want to hurt him. Please keep him and his family safe while he waits to hear what is going to happen to him. Help him be brave and strong when he is so scared. Let Him feel Your power, hope, strength and love and know there is NOTHING and NOBODY more POWERFUL than You! Remind him that You work MIRACLES and set him free for good. Give the judges Your wisdom so Your justice is done.

Dear Jesus,

We pray for children in Nigeria, Iran, China and around the world who are taken away from their families because they love you or because of their faith. Hold them tight in Your loving arms and never let them go. Keep them safe from being hurt in every way. Pour Your love into their hearts and minds so they know You are with them and will always look after them. Set them free so they can live happily with their families again. Amen.

Dear Jesus,

Help the children and youth in China hear about Your great and wonderful love for them! Children under 18 years are not allowed to be told about Jesus. Change this law so the young people can come to You!
