Dear Jesus,

Please be with all the children and young people in these countries. Help them know You are their loving Saviour. Let them have Your love and joy in their hearts and Your peace and hope in their minds. Help them be brave and keep them safe. Use them to bring Your hope and love to others.

Dear Jesus,

Please pour Your great love into the heart of 10-year-old Philip from Burkina Faso. His Dad, Pastor Daniel, was stabbed and killed by people who did not want him to love and tell others about Jesus. Help Daniel to be strong and brave when he feels sad and misses his Dad so much. Help him to remember that his Dad is now safe with You in heaven. Please protect Daniel and his family. Help them to find a new, safe place to live and give him good friends who will love him and help him to smile again. Thank You.

Dear God,

Thank You for the work of Release International's partners in Burkina Faso. They have helped more than 400 children to get back to school by paying for school fees and giving them school kits. Many children have not been able to go to school for three years because of war as well as Covid. Please keep them safe and help them to do well at school. Amen.

Unjumble the words below to find and write the Bible verse:

Psalm 91:15 (CEV)

"ehWn ouy rea ni ueltbor,

lcal otu ot em.

I ilwl wrnesa dan eb reeht."

Now **PRAY** that persecuted children and young people will know the above Bible verse is true for them.

Dear Jesus,

Be very close to the eight children whose Dad, Pastor Yolonim Oduchu, was poisoned and killed in Uganda because he wanted to build a church. Help them to know they are held and loved by You. Give them hope, strength and faith and help them to trust in You. Amen.
