Dear Jesus,

Thank You that we don't need to wait a whole year until New Year's Day to start again if we mess up. Every day, we can come to You and ask for forgiveness when we make mistakes or hurt You or someone else. But at this time of year especially please be very close to children and youth who may have been hurt, bullied, attacked or taken from their homes over the Christmas period because they love You. Let them know Your love filling their hearts and minds with great courage, hope and joy. Let them know You are always faithful - You will NEVER let them down. Amen.

Dear God,

Thank You for this brave girl called Peace from Uganda. Her family threw her out of their home when she became a Christian at the age of 12. Thank You God that her pastor and his family took her into their home and looked after her. I Praise You that Peace and her family have come together again.

Dear God,

Thank You that You helped a young boy called Jafalan Muduwa and his Mum to escape from his Dad. His Dad locked them in a room for two weeks and did not give them any food because his Mum had started believing in Jesus. Praise You God for Your power, love and faithfulness in helping them to get free. Please keep them safe, help them trust You and give them what they need. Let them know the joy of Your love!

Dear Jesus,

Please be very close to the children of 15 families in Adnathi, India. They were told to stop following Jesus or leave their homes and the village. Then a group of villagers violently threw stones at them. Help the children not to be scared and to sleep peacefully. Find them safe places to live where they are not threatened or attacked. Help them trust You Jesus and please look after them. May the people who threw stones come to believe in You.
