Dear Jesus,

Please be very close to all the children in these countries. Keep them safe from people who want to hurt them and their families. Let them hear and read about You in the Bible and find out how much You love them. Give them joy in their hearts. Give them peace and help them not be afraid but trust You to care for them forever. Help them share Your love with others so they know the strength, truth and happiness Your love brings.

Dear Father God,

We pray for the girls and women in Afghanistan. Please protect them from the Taliban. Let them not be taken away from their families and be made to marry men they don't know. Help them be allowed to go to school so they can enjoy learning with their friends. Help them get good jobs and be free to live in peace and happiness, loving Jesus. Look after the boys so they are not forced to become soldiers. Amen.

Dear God,

Thank You that Rev Yohanna in Nigeria helped to build a school for Hausa Christian children. Before this, these children and youths were not allowed to go to school because they believed in Jesus. Now they can have an education and hope for a great future. Sadly, Rev Yohanna was killed by people who do not like Christians. Be very close to his children and their Mum when they are so sad. Fill their hearts with Your love and let them know their Dad is with Jesus in heaven.

Dear Loving God,

Change the hearts and minds of the leaders in China. Let Christian children and youths be allowed to go to church and find out about how much Jesus loves them. Let their parents be able to teach them at home instead of going to school so they can learn more about You and Your world without being bullied or badly treated. Thank You.
