Dear Jesus,

Thank you that You love all children and youth in the world. Help every child and young person who is persecuted be able to say, "Jesus loves me!" and know Your great love in a very special, powerful and real way. Let them feel You with them and bring joy to their hearts. Amen.

Dear God,

Please bring peace in Ukraine and an end to the war. Help the children be able to live in safety, love and happiness with their families again. May Your love bring healing to all those who are sad and hurting.

Dear God,

Please be very close to Pastor Wang's son, Joshua, in China. He is taken by car to a Government school every day where he is taught not to love and follow Jesus. He cannot go to his own school and be with his friends. His family are watched by the police at home 24 hours a day. He is now a teenager and is becoming sad, quiet and withdrawn. Please protect him and help him remember how much Jesus loves him and that You are the only God! Help him smile again!

Dear God,

Thank You for sending Jesus to save us. Help all children and youth trust You when they are scared and when they are being bullied, threatened and hurt because they love and follow You. Please save them by Your Almighty power and mercy when they are being attacked. Let them know You are always with them and will NEVER leave them. Amen.

Thank You dear God,

That children in Pakistan are receiving picture Bibles from Release International Associate Ministries. Most Christians have not got enough money to buy a Bible so these children's Bibles are a real blessing. Thank You that the children can read and find out how much Jesus loves each one of them. May they keep growing in Your love their whole lives through and help others to know Your love too.

Dear Jesus,

Please give Your strength and peace to the young people from church who saw Archbishop Arsanious Wadid killed in front of their eyes. They were helping him to give Ramadan gifts to people who walked by. Archbishop Arsanious was killed because He loved and followed Jesus. Help the youngsters to keep believing in and following Jesus. Keep them safe we pray.

Praise You God,

That a man called Bounsaen in Laos helps to lead a church with 500 people from the Khmu community. Bounsaen is 101 years old!!! He prays that young people in Laos will find out about Jesus' love for them and follow Him. Please help children and young people meet people who share Jesus' love with them so they can believe in Him and know His strength, hope, love and peace for themselves. Fill their hearts with Your joy!
