Dear Jesus,

You told us that You are the light of the world! Shine the light of Your love into the heart and mind of every child and youth who are being persecuted for loving and following You. Protect them and their loved ones by Your Almighty power from attack, bullying, killing and every kind of harm. Help them remember that You are with them every second of the day and night. Let them feel the warmth of Your love and give them great hope in You. Amen

Dear Jesus,

Please be very close to the Christian children and youth in Afghanistan. They must be terrified because the Taliban, who rule the country, are knocking on doors, searching for Christians to take them away or kill them. Keep their families safe and help them not be found. Let the Taliban not find any Christian songs or information on the Christians' mobile phones when they look at them to check them. Let both girls and boys be able to go to primary and secondary school as well as University. Protect the girls from being taken as Taliban wives and the boys from being taken as Taliban soldiers. Help the youngsters and their families trust You and feel You with them. Make them brave and strong and keep them safe in Your mercy and love. Amen

Dear God,

We pray for a Mum called Lau Y Pa in Vietnam who is not allowed to see or even speak or write to her two sons because she has become a Christian. The boys are teenagers and they must miss their Mum very much. Her heart must be breaking not to be able to see her boys. Pour Your great love, strength and hope into all their hearts. Speak to the boys dear God - in dreams, through the internet, radio or however You choose - so that they too believe in Jesus. Touch the hearts of the people stopping the Mum from seeing her sons so they believe in Jesus as well. By Your power, help the Mum and her sons be able to live happily and safely together again. Thank You. Amen

Dear Jesus,

Thank You that You are with us in our happiest times but, also, in our saddest, most worrying and most frightening times as well. On Sunday 6<sup>th</sup> November, we remember all Christians around the world who suffer because they love and believe in You. Help Christian children and youth know that Your light and love will always shine in their hearts - whatever they are going through. Holy Spirit, remind them that Jesus will always win - nothing and no-one is more powerful than Him - He is the only Son of God!

Dear God,

Help children and youth in China keep believing in You. Millions of them have been forced to say they don't believe in Jesus anymore.
