Pray for Nigeria

For Christians

who have experienced violent attacks, for the families of martyrs, for those who have been forced to flee and for those who have been kidnapped.

For Release International partners

who are working to provide basic food and medical supplies, trauma counselling and training for local pastors to share the hope of the gospel.

For the Nigerian government

to act justly, to provide proper representation to Christians in the north and central regions, and to fulfil its duty to protect all its citizens.

For the terrorist groups and other militants

who are targeting Christians to stop their violence and turn to God for forgiveness.

For the Christian community

to trust in God's faithfulness and ask that out of these ashes will rise a wave of an uncommon, unseen revival.
