Now write out the Bible verse below:

Dear God,

Help every persecuted child and youth feel Your arms of love around them, holding them tight, every second of the day and night. Let them know You will never let them fall! Help them trust Your love and give them great courage, strength and peace, knowing You will help them in every situation. Amen.

Dear Jesus,

Be very close to 103 young people in Asmara, Eritrea. They were singing songs of praise to You on YouTube and were arrested.

They were told it was against the law to sing praise to Jesus! Keep them safe and protect them from being hurt in any way. Let them feel You with them and make them brave. Use them to bring other prisoners and guards to You, Jesus. Give strength, hope and peace to them and their families. Set them free! Amen.

Dear Jesus,

Hold in your heart the children of Pastor Adinani Bulwa in Uganda.

Their Dad was killed because he stopped being a Muslim and followed Jesus instead. Pour Your love and strength into their hearts as they miss their Dad so much. Look after them and their Mum Zabiina. Keep them safe and give them all they need. Surround them with people who love You Jesus and who will love and care for them. Thank You. Amen.

Dear God,

Please give healing and hope to children in Nigeria who see their families killed or hurt or who have to run for their lives and leave everything behind. Be especially close to those who have terrible injuries or who have lost arms and legs in attacks. Hold them very close and give the courage to face each day. Heal and restore them by Your miraculous power! Give them all they need as well as the love and joy of Jesus like they've never known before!
