Praise God that a girl in Egypt who was kidnapped was set free, after just 2 hours, after being prayed for!! Thank You God for such a powerful answer to prayer! Help her and her family know Your peace and strength. Please be very close, Jesus, to all the girls who have been kidnapped but have not been returned to their families. Please keep them safe from being hurt. Let them be treated kindly. Help the girls remember You are with them and You love them deeply. You see and You understand what they are going through. Give them and their families Your great strength, courage, love, peace and hope. Set them free and reveal Your truth to the kidnapers.

Dear God,

Thank you for the camp that is being organised for more than 100 children in Sri Lanka. These children's parents are Christian workers and face attack, difficulties and dangers for their work for Jesus. It can be very hard for these children as they might get bullied or hurt because their families are Christian. They might be very worried about the safety of their Mums and Dads. Give Your wisdom, enthusiasm and creativity to the people planning and running the camp. Help the children and leaders have a great time. Help them relax and talk about their fears, hopes and dreams. Fill them all with Your Holy Spirit and let them grow in their relationship with Jesus, knowing how much He loves them and will ALWAYS be with them. Protect them, their families and the leaders of the camp and may Your Name be praised through songs, Art, dancing and in many different ways! Amen.

Dear God,

Thank You that You see and know each one of us. Help all persecuted children know that You see them, You know them and You love them passionately. Let them know that You see their pain, their sadness and their fears. You see their dreams, their hopes and their joys. Let them know You understand everything that is happening to them; You understand everything they feel, think and do. Help them trust You, talk to You and feel Your arms of love holding them tight, giving them great strength, courage, hope, peace and joy. Amen.
