Dear Jesus,
 Thank you for the lives of Twaha Namwoyo (Dad) and Nadiimu Katooko (Mum) in Uganda. They were killed because they changed their religion and became Christians. Wrap Your arms of love around their children who miss them very much. Fill their hearts with Your love, strength and hope when they feel so sad. Give them a loving family who believe in You to look after them and love them. Give them Christians to teach them about how much You love them. Let them know their Mum and Dad are with You in heaven where there is no sadness, no death and no pain - only joy, laughter, love and eternal life with You. Amen.

Dear Jesus,

Thank You for all the Christian holiday clubs and camps that are happening in countries where it is very dangerous to be a Christian.

Keep all the children, youth, helpers and leaders safe. Fill all their hearts with the power and great joy of the Holy Spirit and Your amazing love! Help them have a lot of fun. Take away all their fear and worry and heal them. Speak to the children and youth so that they ask You into their lives and trust You to guide and be with them always.

Dear God,

Be very close to Mums and Dads when their children are killed because they loved and followed Jesus. Pour Your love and comfort into them and everyone in the family when their hearts are breaking and make them strong. Help them remember the wonderful love they shared with their children and give You thanks. Remind them that their children are safe and happy with Jesus in heaven.

Cut and paste or write the words of this month's Bible verse in the right order (Psalm 31: 6b-7a). Then pray this verse over children who are persecuted for believing in and loving Jesus.

Dear Jesus,

Help the children from Manipur, India who had to run away from their homes because they were being attacked, killed and their houses and churches burnt down. Give them Your peace, love, courage and hope. Help them find new schools and homes where they are welcomed and safe.
