Dear Jesus,

Be very close to all the children and youth who have been sent to the prison camps in North Korea because their Mums and Dads believe in and follow You. They are beaten and starving and see terrible things happen to their family and to the Christian prisoners around them. Pour Your great love, strength and peace into their hearts and minds. Help them feel You right beside them. Give them hope and set them and their loved ones free. Protect them from every harm in Your all powerful Name! Touch the hearts of the guards to be kind and help them believe in You Jesus and experience Your love and forgiveness.

How many words can you find in the word: **forgiveness** ?

You can include words from one letter upwards but can only use each letter once.

This is a boy called Magnificent in Nigeria. He was shot in the mouth when he was 6 years old (3 years ago) by people who wanted to murder Christians. These same people killed his two sisters, his Mum and grandparents. His Dad has tried very hard to get the medical treatment that Magnificent needs but he has not got enough money.

Everything he had was destroyed by the attackers. Magnificent has to have his mouth wired up and needs more operations and treatment to heal his mouth and skin.

Please say your own prayers for Magnificent. Pray for healing for his mouth and face and for his mind and heart as he remembers the terrifying night that his family were killed and he was shot in the mouth. Pray for courage and strength as he faces more surgery. Pray he has no pain or infection and that the wires can be removed. Ask Jesus to fill his heart and mind (and his Dad's) with God's peace, love and hope and provide the money for all they need.

Dear God,

Protect the Christian children in Afghanistan and Colombia by Your great power and love. They are hunted down by people who attack Christians. These attackers want to take them away from their families and make them into soldiers to fight with them. The attackers take the girls away and make them marry the men who fight Christians.

Help these children and youth not be found by the attackers. Help them stay safe with their families or with Christians who will look after them. Be very near to them and make them brave, knowing they can trust You and that You will never leave their side. Give their parents Your wisdom to know how to keep their children safe. Amen.

Put these words in the right order to make the Bible verse found in Psalm 33:5. Then PRAY that God would make everything right and fair for His people and children around the world.
