Dear Jesus,

Wrap Your arms of love around the six children in Uganda whose Mum was killed because she became a Christian. Their Mum's name was Nasiimu Mirembe. The youngest child is 3 and the oldest is 18. Heal their breaking hearts and fill them with Your love, peace, strength and courage. Let them know You are with them and You understand what they are going through. Help them remember all the wonderful, joyful times they shared with their Mum and give You thanks. Remind them that their Mum is with You Jesus in heaven and they will see her again one day. Give them a loving family to look after them, protect them and help them believe in You Jesus just like their Mum. Amen.

Dear God,

Please be with the children in Myanmar whose Dad, called Win Aung, was sent to prison because he told people how much Jesus loved them, died for them and came back to life to save them. Bless their hearts and heal them with Your love as they miss their Dad so much. Give Your strength, healing and peace to their Dad and Mum. Thank You that partners of Release International are paying for the children to go to school and to have food. Help them trust You. Set their Dad free very soon by Your amazing power!

Stick or write the words below in the right order to make this month's Bible verse found in Malachi chapter 4, verse 2.

and bring healing

on you

"... my saving power"

like the sun's rays."

like the sun

will rise

Dear Jesus,

Bring healing like the sun's powerful rays on all children and youth who are hurting because they and their families love and follow You. Shine the light of Your all powerful love on youngsters who are very badly injured, restore their bodies to how You created them to be. Bring Your healing peace to their minds where they have seen terrible things happen to those they love. Pour Your courage and strength into their hearts when they feel so afraid and let them feel You very near to them. Give them hope in You - the only God!
